In an effort to assure constituent input and to comply with statutes regarding minority and women participation as well as the participation of the various constituent groups of each of SIU’s campuses, he proposed that the Board establish a Presidential Search Advisory Committee whose responsibilities would include advising the Board in the selection of the next President. The Chair asked Dr. Sanders to serve as the Chair’s liaison to the Presidential Search Advisory Committee as well
as be responsible for the day-to-day activities of the search. The Chair further asked that Vice-Chair Hightower work closely with Dr. Sanders and the Chair to define more specifically the search process and procedures. In this regard, the staff was instructed to work closely with Dr. Sanders and Dr. Hightower and prepare a position announcement for publication in early July.
